By 2024, the global skincare products market is estimated to reach 180 billion U.S. dollars, constantly growing from the present 134 billion U.S. dollars.

Main trends for the next biennium will focus on two main areas: holistic beauty and technological solutions. Consumers look for formulas that assure overall wellbeing while contrasting pollution and ageing.

**ANTI-POLLUTION
ANTI-AGEING
NATURALLY TECHNOLOGICAL**

are the keywords for the next future

Pennelli Faro has developed a collection of brushes for the spa and skincare products application, specific for the most innovative formulas.
